Call for Nominations for IEEE Journal on Flexible Electronics (J-FLEX) Editor-in-Chief Position:

Three-year term starting January 1, 2028 (January 2028 – December 2030)
Deadline November 20, 2026.

The Steering Committee of the IEEE Journal on Flexible Electronics (J-FLEX) invites nominations for the Editor-in-Chief-Elect. The EiC-Elect will be appointed a year before the end of the term of the current EiC, facilitating a one-year transition phase.

Nominations should be submitted no later than **November 20, 2026** through this form **(https://app.smartsheet.com/b/form/01a10c5712c57d138625ac3bd29be1b0)**. Self-nomination is permitted.

For any questions, please contact the Chair of the J-FLEX Steering Committee, Maurizio Valle: Maurizio.Valle@unige.it

The IEEE Journal on Flexible Electronics (J-FLEX) publishes cutting edge research covering all aspects of sensors, transistors, related devices, circuits, systems on flexible, disposable, stretchable and degradable substrates. This includes various functional and sustainable materials, material-integrated sensing, interface subsystems, corresponding actuators, energy harvesting, energy storage devices, modelling, simulation, manufacturing, integration or packaging in soft and flexible substrates and all applications of flexible electronics. Topics such as 3D printed or heterogenous integration, use of sustainable materials and processes aligned with circular economy are also in the scope of this journal. For further information, please consult https://ieee-jflex.org/.

Criteria for Nominees:

- ✓ Demonstrated competence in at least one of the topical areas of J-FLEX;
- ✓ Demonstrated high scientific reputation;
- ✓ Extensive editorial experience as EiC, AEiC, Senior Editor, Associate Editor or Guest Editor;
- ✓ Prior experience with J-FLEX as an author, reviewer, and/or editor is beneficial;
- ✓ Capacity to manage a journal that receives ≤ 250 submissions per year, with an Associate EiC. The estimated time requirement for this position is ≤ 10 hours per week on average.
- ✓ Be a member of IEEE and one of the co-sponsors of J-FLEX in good standing;
- ✓ Other required qualifications include high ethical standards, leadership experience, and management skills.

Selection Process: The J-FLEX Steering Committee will carefully evaluate all nominees and select the best suitable candidate. All nominees will be considered without attention to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, or political affiliation.

Requirements for Nominations

- ✓ Names of nominee and nominator (self-nominations are possible).
- ✓ A brief IEEE-style biography of the nominee of no more than one page.
- ✓ A summary statement of the nominee's editorial experience.
- ✓ Statement of interest of up to 500 words stating the nominee's vision for the journal and special qualifications for the position.
- ✓ The full CV of the nominee.
